

MONTEZOVO

PRANZO IN CANTINA

The flavors of the land at the table

An experience that unites lovers of good wine and good food. An experience... that tastes like home.

You will be accompanied by our guide along a tour that is divided into the cellar, to discover the aging rooms, where you can learn the main stages of production and aging of our wines.

At the end of the visit the tasting takes place during lunch, to fully enjoy the pairing between our wines and the traditional family dishes, cooked by our maids. In total you will taste four wines, expertly accompanied by an appetizer of cold cuts, a first course and a selection of local cheeses.

In this visit you will live an experience of conviviality and the pleasure of staying around a table.

You will taste

Oltremonte Sauvignon

Lugana Terralbe

Calinverno Rosso Veronese

Amarone della Valpolicella

2-15 people

1,5h

MONTEZOVO

CONDITIONS OF THE SERVICES

- Our wine tours are meant for min. 2 people and take place only by reservation, from Monday to Saturday, from 9.30 to 16.30. Punctuality is recommended. By delays of more than 15 minutes, the tour will not be guaranteed. There are no tours during national holidays.
- Tastings are reserved for adults (+ 18 years old). Children have to be always accompanied. Animals are welcome, but, for hygiene reasons, we cannot welcome them in the production areas and in the company. Please report any food allergies or intolerances.
- It is possible to book and pay tours only online through our booking system at: <https://www.montezovo.com/en/visit-us/visits-and-tastings/>
In case of cancellation, the full refund is guaranteed if the cancellation is notified within 2 days before the scheduled date of the visit. If any invoice is needed, this has to be requested in advance.
- Visitors will be jointly responsible for compliance with the rules of distance and hygiene within the company structures, to protect not only themselves, but also all the people and employees present in the cellar.
- Tastings will be guaranteed and carried out upon reservation, in accordance with the safety distance measures and with food matching (when available) in mono-portions.
- Sanification of rooms, areas and places will be always provided.
- Lastly, we would like to inform you that the temperature in the cellar is 16° C, we recommend proper clothing.
- Guided tours are available in Italian, English or German.
